

## Fizzy and Refreshing!

2 oz. Peach purée OR peach nectar (found in the natural foods section)

Prosecco - fill glass to preferred line Stir with a spoon and garnish with a peach slice. Add a touch of raspberry or cherry juice if desired.

**Peach purée** (can be made with frozen peaches) Peel your peaches, slice them in half, and remove the pits. Place the halved peaches in a blender or food processor, and blend until the purée is completely smooth.
